NEW: Scandic Hotel am Potsdamer Platz ****

This brand new **4 star hotel** has just opened its doors now in October. It is located at the **Potsdamer Platz**, an area in Berlin which combines architectural highlights, entertainment, shopping and culture in a unique way.

The hotel itself offers **565 rooms** which have modern Scandinavian design concepts and **all amenities** one expects of a first-class hotel. As typical for Scandic hotels, **organic food** and **environmental protection** are highly valued. The spacious meeting area consists of **23 meeting rooms** of different sizes with space for 350 people in the largest one.

NEW: Hampton by Hilton City West ***+

This newly built **3 star superior hotel** is open since the end of September. It is the first of the Hampton by Hilton hotels in Germany with a **very convenient location** in a side street of the famous shopping boulevard Kurfürstendamm, directly in the city centre **Berlin West**.

The hotel has **214** modernly equipped and furnished **rooms** which offer a good comfort. Three meeting rooms provide meeting facilities for up to 60 persons.

Puro Sky Lounge

The **Puro Sky lounge** Berlin lies in the Europa-Center next to the Gedächtniskirche, right in the **city centre West**. Its location on the **top floor** provides for an **impressive 360° view** over the sparkling Berlin panorama at night.

Here a **cozy lounge atmosphere** is combined with **dance club** elements and the ambience of a **sky bar**.

Separate rooms or the whole Puro Sky Lounge can **be booked exclusively** for all kinds of events, receptions or festivities.

The whole location has a size of about **1.000 sqm**, divided into **two main areas**: the north wing with a **relaxed atmosphere**, white lounge furniture, and a dance floor, and the south wing which stands for **comfort** with candles, couch island and open fire.

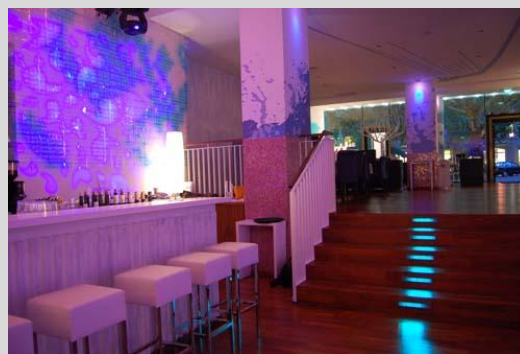

The Home

The name "**The Home**" already indicates the concept – the guests are supposed to feel right **at home** in this apartment-style location which is located directly at the **Kurfürstendamm** in the City Centre West.

Especially the possibility to **combine** first class **dining** in a nice atmosphere with **clubbing** makes this location attractive.

In the "living room" **dark couch elements** and **white bar stools** are the dominating interior features. A real **sailplane** is part of the decoration here. International DJs and an excellent hi-fi system including lights and a beamer provide for a **great club atmosphere** after 23:00.
