- [Segway tours](#)
- [BundesPresseStrand](#)

Trabi Safari Late Night Special

A Trabi Safari tour in the **evening hours** combines the fun aspects of driving around in these famous East German Trabant cars with experiencing “**Berlin by night**” - most of the well-known sights are beautifully **illuminated** in the dark which creates a special and unique atmosphere. On a warm summer evening, choosing a **convertible Trabi** can be extra nice.

In **convoys** of up to 5 Trabants plus one lead car the guests will explore the city while driving on their own and listening to the **radio-transmitted explanations** of the English guide.

A “Late Night” tour can be designed as a **nightly city sightseeing** as well as being a special and fun way of getting from the hotel to an evening location.

We can offer **special prices** for this activity in the period 01.07. – 31.08.2010!

Boat trip on the Spree

Exploring Berlin while relaxing on a boat is an extraordinary way to see the city. You will see **historical** as well as **modern buildings** in this exciting metropolis. There is the possibility to choose between **public boat cruises** which have scheduled departures and an **exclusive boat charter**. On the larger boats one can also sit on deck and enjoy the summer weather.

It is possible to rent a boat just for **sightseeing** or to combine the cruise with a lunch or dinner. The boats are flat with one or two floors. It is possible to organize a **catered event** with eating and drinking onboard as well as music entertainment.

Segway-Tours

Riding a Segway is a **fun way** to discover Berlin and it is also easy to learn! On a comprehensive **Berlin Segway Tour** the **main sights** will be covered, like the Brandenburger Tor, the Reichstag, the Holocaust Memorial, remains of the Berlin Wall or Checkpoint Charlie.

A competent **English speaking guide** will share his knowledge about topics like Berlin during the Third Reich, the Berlin Wall or the Unified Berlin.

The 90 minute tour is the **perfect teaser** for every Berlin experience as one sees the major sights while gliding along on the Segway effortlessly, in small groups of max. 8 persons.

Of course, longer tours or tours with a special thematic focus are possible as well.

BundesPresseStrand

BundesPresseStrand, a **beach bar**, is located on the waterside of the river Spree and offers a **great panoramic view** over the Kanzleramt, the central train station and other building in the governmental quarter which guests can enjoy from the **large wooden terraces**.

The imposing bar-pavilion in green steel is the center of the **3.000 m² large area**. Palm trees and deck chairs provide the fitting **beach atmosphere** right in the middle of the city.

When the weather isn't that sunny, several **lounge areas** are inviting to get comfortable. If one is looking for some motion, it is possible to play beach volleyball on one of the numerous fields, dance salsa or play football.
